Volume 36 No 1

Thank goodness all that's over again for another year, eh? At long last you can switch on the radio without having to worry about being bombasted by some tiresome nonsense from Slade or – gulp! – Wizzard. Instead, it's time to take stock, nurse your debts and think about getting on with the rest of your life again. Or, if you happen to work on Britian's toppermost gentleman's interest magazine, like we do, it's time to roll up your sleeves and pull out all the stops to put together another annual bumper issue to see in the new year in style! Club scouts were sent out in all directions to track down enough quality quim to keep the magazine jam-packed, and I'm pleased to say that, alongside a few old favourites, we managed to sniff out some spanking new talent as well. Celeste, Victoria and the amazingly-legged Gina all ensured our 2007 got off to the right sort of start. We hope yours does too! – **The Ed.** ♣

SHAPING UP

Sorry I moaned about Vol 35.11 in the letters page last month. I think the excitement of seeing Shayla seemed to make the rest of the magazine pale into insignificance. I bought 35.12 and thought it was very high quality with some beautiful blondes in it and a very cheeky looking Crystal. I hope in the future there are many more blondes to come... but I still think Shayla is the right shape!

J, Notts

BLOW BY BLOW ACCOUNTS

I just had to write in and tell you about the week I've had. I work for a major accountancy firm in London. It's all pretty boring so I won't bother you with the details except to say that I am a manager with four staff under me.

Anyway, there's this woman, Louisa, who works in another department, who's always had the hots for me, but since I already have a girlfriend I've done nothing about it, just enjoyed the attention she's given me. Until last week, that is – the week she was due to leave work for good. I've been having a bit of a rough time with my old lady at the moment, we're not really getting on, and as a result I'm not getting any action at all. So when Louisa suggested we pop upstairs Monday afternoon I was all for it. The two floors above ours are empty so I was pretty sure what she wanted.

When we got to the floor above Louisa led me into an empty office and backed me onto a desk.

"You know I've been after you for a long time, don't you?" she coyly asked. "And now that I'm leaving, I really think it's about time I got to know you a bit better," and with that she kissed me fully on the mouth, sliding her tongue between my lips and wrapping her arms around me, nestling her waist between my thighs. My dick grew hard instantly, pressing urgently up against her stomach.

To my shock and total delight Louisa dropped to her knees and undid my trousers, pulling my dick free from the waistband of my boxers. Then she looked me in the eye and slowly kissed my cock, gently wanking it with her right hand. I was in heaven!

"Mmm," she murmured as she lowered her mouth onto my dick, sucking and licking it like she was in love with it. I couldn't believe it, I was getting sucked off at work by a fit blonde bird and it wasn't even Monday lunchtime! But just as I was really beginning to enjoy it she stopped and said, "I think we better stop this now, before it's too late."

I was gutted but could hardly complain. The thought of what had just happened kept me company as

SOME LIKE IT HOT

It is shit that the British summer is now a long way away. The thought of no hot young babes in bikinis, short skirts and crop tops is very depressing, but I know how you can keep your readers happy through the cold months. Just show us plenty more of babes like Tiffany, Brea, Elle, Jo, Sandy and Gabriella and that should keep us all warm inside. I know it will keep me on heat!

CREAMS OF THE CRACKS

You weren't wrong when you said Suzie had the rear of the year in 35.13. It's incredible, and those knickers she is wearing really help by the way they nestle comfortably in her crevice. What I'd do to be those knickers! Please make sure you feature Suzie in *Club* again real soon, preferably with a tiny thong disappearing into her perfect arse crack! *Gareth, Swansea*

Louisa slipped out of the room and back downstairs while I waited for my cock to go down. For the rest of the day Louisa kept up a stream of suggestive e-mails, and I went home that night in a daze.

The next day the same thing happened. Louisa called me and suggested we meet upstairs, then she started sucking my dick until I was almost ready to come in her mouth and then she'd just as abruptly stop and leave me frustrated, with a heavy sack and a slick dick.

By Thursday I was a ball of sexual frustration. Her leaving do was that night; this was the last time I'd see her alone, and this time it was me

"She started sucking my dick until I was almost ready to come"

who suggested we go upstairs. I met her in the corridor and she giggled and took me by the hand, dragging me up one flight and into 'our' office. I undid my trousers and pulled my cock out. I was already hard and couldn't wait for her to start sucking. She dutifully knelt in front of me and I pushed my cock into her mouth, parting her lips for her with my helmet.

She held my gaze the whole time, squeezing my balls and twisting my dick as she bobbed her head back and forth. I was trying as hard as I could not to come, thinking that this was going to be a rerun of the rest of the week, until Louisa stopped sucking for a moment and said, "You

Right, let's start off this year as we mean to go on. We've got so many jaw-droppingly class girls queueing up to pose in our esteemed publication, we're worried not even this 148-page bumper issue will be enough. But don't worry, what we can't squeeze in this month we'll drip feed to you over the coming months. Besides, Debbie will probably keep you occupied for a while…

"Ever heard the saying, it's a marathon not a sprint? Well, that's what I expect when it comes to sex. It doesn't necessarily have to be gentle, but it has to last longer than five minutes. I once spent a whole weekend in bed with an ex-boyfriend and it was the best sex I've ever had. I lost count of the number of orgasms I had – but I can remember each one was better than the last. By the time Monday morning came round my boyfriend's nuts had shrivelled up and his cock end was so raw I had to spend the rest of the week relying on my vibrator for relief." ♣

EXPLICIT PEACHES

I loved the Silvia and Peaches set in last month's issue. I've always thought Peaches is one of the sexiest birds I have ever laid eyes on; just one look at her face makes my cock spring to attention. So to see her getting to grips with porn pro Silvia Saint is doubly delightful. The pictures were so hot, I haven't been able to stop myself from wanking. You can tell that Peaches really enjoys her work, her pussy looks so wet as Silvia is about to slide the strap-on dildo deep inside her, it's just a shame we can't see the filthier pics of them two!
John, Doncaster
Oh, but you can. If you've got internet access then go to www.sexclub.co.uk and you'll find all the pictures that are too explicit to print in the mag. And memory serves right, the web pics of Silvia and Peaches will have you hard in no time!

can come in my mouth today... if you want to."

Those were the words I had been waiting for, and within a matter of minutes I had come, my balls exploding with well over a week's worth of spunky backlog, filling her mouth so much that some of it burst out the sides and dribbled down her chin. It was probably the best blow job I have ever had and I stifled my groans as Louisa cleaned my dick off with her tongue, licking it until it had become limp before tucking it back in my pants and saying, "So, are you coming to my party tonight? You can take me home after if you like and see what my pussy tastes like."

Needless to say I didn't go home to my girlfriend that night!

WISHING ON OUR STAR

I just wanted to drop you a line and let you know – as if you didn't already – that Stella is THE hottest blonde in glamour today, and seeing her pics in *Club* each month is all I need to drain my aching balls.

"I was already hard and couldn't wait for her to start sucking"

I have this recurring fantasy that she comes round my house one evening, and wanks me off while we look through my jazz mags together. Call me strange, but I've always wanted to have a woman pleasure me while I look at porn – something that obviously calls for a very understanding partner. But, being the great Stella, she probably has no such inhibitions and even provides a stream of dirty talk as we flick through the pages.

I hope you show Stella this letter and she enjoys reading my fantasy so much that I might get an unexpected knock at the door soon!

THE CONCIERGE'S URGES

I work as a night porter in a hotel, it was a Saturday night and, as usual, we got a lot of drunks and what we call 'shaggers'. Normally, these are old businessmen who have brought their secretaries to the city for 'business'. But this night was different, our hotel was full of women on a hen night. The night started off boring as usual, the normal couples who have been to see a play and a meal coming back in, this was until around about two in the morning when the hen party came back from their night on the town, all of them having had way too much to drink. As they walked into the reception, you could tell they were going to be trouble. They were very loud and obviously up for a

MYSTI MYSTEREY

I'm a big fan of *Club*, my favourite part is Peaches, so as you may have guessed I'm an arse man. The girl I've been wanking over the most recently is the girl whose pictures feature in the Peaches section in Vol.35.12. She's got a gorgeous bum that I'd love to fuck – who is she?
Craig, Cumberalnd
The girl in question goes by the name of Mysti, and we definitely agree she's got an ever-so-inviting arse.

Get In Shape With Club

Feeling a bit flabby after the festivities? Well, you're not alone, so here at Club we though it was time we all toned up for the new year with some top tips from our resident dietician to make sure we're all fighting fit and raring to go in 2007!

Breakfast

As everyone knows, breakfast is the most important meal of the day before lunchtime, so it's important to stock up. Forget about that Special K, dry toast and grapefruit you've been forcing down but which leaves you hungry for more after only half an hour – you need a proper brekky to keep you going all the way through until elevenses. We recc-ommend the full English, if only because it's the greatest single meal ever invented.

Snacktime

Fruit and nuts are a great idea for a mid-morning snack, but no matter how many of them you stuff, they don't really seem to satisfy you, do they? Doughnuts, on the other hand, do the job in double quick time - and you should only need two or three to keep you going until…

Lunch

Salads are the ultimate healthy option, but not everyone fancies the idea, so why not sneak on board double helpings of healty greenstuff by going for a Big Mac? As our illustration shows, they boast two fullsome layers of lettuce, tomatoes and cucumber etc., all conveniently held together with some tasty bread, meat and processed cheese. But whatever the fuck you do, don't wash it down with a coke! Everyone knows the true secret to getting and staying trim is super healthy Coke Zero (aka. Diet Coke, if you're a girl)…

Tea

Fish isn't known as brain food for nothing, so why not pop along to the chippie on the way home? As well as stocking up on all those fishy nutri-ents, you can guarantee yourself another day of working, resting and playing by sneaking in a deep fried Mars while you're there.

Booze

Sadly, a lot of folk wisdom has now been lost to us, but one piece of old wives' advice that survives to this day is that Guinness is good for you. So get a few pints of the black stuff down your neck of an evening, and you won't go far wrong.

Supper

As any tourist to Calcutta will tell you, you don't see too many fat Indians, so if you still feel a bit peck-ish when you get in, phone out for a Madras or something.

So there you go - just because you're on a diet, it doesn't mean you can't enjoy food that's both tasty and convenient. Just a few months of this and you'll be fighting fit for the summer. See you on the beach!

NELL RAISER!

It takes the female touch to get Nella naughty!

PHOTOS: SCOTT WARD

Can it get better than this? You spend all weekend viewing a brand new mucky DVD and then come in to the office on Monday morning to find the star of your weekend's viewing is appearing in *Club*. That's what happened with Nella, and although we already knew the answer to whether she liked a bit of same sex fun as we'd been watching her indulge in it all weekend, we thought we'd ask her anyway…

"I actually prefer having sex with women. When it comes to oral sex another girl knows exactly how to please me. They know where to put their tongue, how hard to push it and how fast to flick it. OK, there have been some guys capable of doing that, but only a few, and I don't exactly have time to seek out those who can. At least when you get together with a woman you know they're going to get it right first time… and if they don't I enjoy teaching them by licking them out!" ♣

ROXY LADY!

I'm a horny, red-blooded squaddie, four weeks into my basic training, stuck in our barracks in the middle of nowhere without a female in sight. I picked up last month's *Club* (35.13) and the sight of Roxanne's perfect body really got me going!

Club magazine, and your pictures in particular, have really made these first few weeks of training a lot more enjoyable.

It would make my day – actually, it would make my year – if you could show more pics of Roxanne soon, to take my mind off the tough training and help me to 'relax' at night!

bit of fun.

At the back of the bunch were two quiet girls who looked to be about 19; they didn't seem to be as drunk as the rest. As they came up to get their key from me, one of the girls winked at me and then smiled to her friend. As they both walked off, I could hear them whispering and giggling to themselves.

One of my duties is to go and do corridor checks to make sure there is nothing wrong with the hotel and no noise. I walked down a couple of corridors, you could hear the normal moans and groans coming from a couple of rooms, when I found myself outside the young girls' room. As I approached, I could see the key was still in the door, and as a good concierge I had to knock on the door to make sure everything was okay with them.

I knocked but no one answered so I slowly opened the door. As I walked in, I could hear the shower running. I called out to see if anyone answered. As I moved further into the room, the bathroom door opened and one of the girls walked out wearing a white bath towel. When she saw me she gave out a little scream and dropped her towel, her lovely breasts were gleaming, still wet.

"I could taste her pussy and I started to play with her clit"

"Oh, I'm sorry. I, erm, your, erm, key was still in the, erm, door," I spluttered. As I was trying to get my words out, her friend walked out with no towel on.

"Ah," she said. "We wondered how long it would take you to get up here. My name's Chloe and this is Gina."

"Erm, hi," I couldn't take my eyes of Chloe's lovely body. I could feel my cock stirring.

"Do you fancy a drink?" Gina turned to the fridge and pulled out a bottle of wine. "We nicked it from the club we were in."

"I'm fine, I'm meant to be working!" I replied.

"That's a shame, does that mean you have to go?"

"Well, no. I'm sure I could be persuaded to stay for a little bit," I smirked.

"I feel a bit cold," Chloe turned to me. "Could you turn the heater on? Me and Gina couldn't work it out."

As I walked over to the heater, Chloe followed me. While I was looking at the heater, I felt a hand on the inside of my leg, moving up to my

now fully erect cock.

"Mmm, let's free that lovely big dick of yours," she said and undid my trousers. As she took my cock out, Gina came over to take a look.

"That looks so tasty," she said, grabbing my cock and licking my bell-end, pulling my skin right back with her free hand. Chloe took me by the hand and led me to the bed, pulling me away from Gina, who seemed gutted that my cock had been taken away from her and dashed over to carry on sucking on it.

"I love to lick pussies," I said to Chloe as she started to move her legs over my face. I could taste her wet, tight, lovely pussy and I started to play with her clit. She loved it and started to groan, wanting me to go faster and faster. I quickened my pace and could feel her getting all tense. Her head went back and she gave out one last moan, her come slipping down my throat.

All of a sudden, I hear a scream. "Oh, what about me?" squeeled Gina, who was still between my legs.

"I would love you to come all over my breasts," she said. "But you have to fuck me first."

She took my cock in both her hands and pulled my foreskin right back, "Of course, you're going to have to last," she said and winked at me. She got on top of me and slowly placed my cock into her very tight pussy. As she bounced up and down, I could feel her pussy really grabbing my cock and pulling it tight. You could tell Chloe, by this time, was getting bored as she started to kiss Gina's tits and play with her clit.

"I want to see him come as well so I can lick it all off your tits."

"These girls don't hold back," I thought to myself. As Gina was riding me, Chloe was still playing with her clit, trying to make her come before me. Faster she went, and harder, trying to make me come first. I felt her tense up and her moans were getting louder.

"Her tits were so pert my balls were soon ready to burst"

Her whole body seemed to explode as she came all over my cock.

As she got off, Chloe then started to suck and lick all of Gina's juices off my dick, as promised. Gina started to give me a tit wank, her beautiful tits were so pert and full my balls were soon ready to burst all over them. While Gina was working her tits, Chloe was working her tongue on the top of my cock. I was all ready to come, and with one last tug on my cock, I exploded all over Gina's tits while Chloe lick my come off of them. I suddenly realised that I was meant to be doing my checks. I jumped up and put my trousers back on, said my goodbyes and left to finish off the rest of my shift. I wondered to myself if that's what is meant by servicing the rooms?

You'll all be amazed how good I'm looking considering the night I've just had. A small group of friends had a New Year's Eve party here in my mate's bar and let's just say it got pretty wild.

It all started off quite civil. We went to a nearby restaurant had some lovely food and then we came back to the bar. That's when things began to heat up. My friend was mixing all kinds of crazy cocktails and as we were all in the party mood we started knocking them back. By the time midnight came we were all pretty merry and when someone suggested I do a sexy striptease to see in the new year, being the exhibitionist that I am, I gladly agreed. The next thing I know I was standing in the middle of my group of friends totally naked. I grabbed one of my girlfriends and started snogging her. Everyone cheered as I peeled off her dress and then within a matter of minutes it turned into a free for all.

I was munching on a pussy while wanking two dicks, my friend was being spit roast and another friend had a group of guys standing round her wanking themselves off. Eventually I found this one guy I've always fancied and started sucking him off, then we went to a quiet corner of the bar and fucked each other well into the early hours, In fact, everybody had gone to sleep by the time him and I were fully satisfied.

I just hope the rest of my year carries on in a similar vein! ♣

The LOWDOWN

It's all here – from scraping from the world's newsbins, to top tips and fanciful facts. If you want to keep your fnger on the pulse, you'd better get... the Lowdown!

NOWT AS QUEER AS FUCK

Yep, they're all true...

MAD JUDGE BINNED

Philippines trial judge Florentino Floro has been fired by the country's supreme court, despite appeals, after investigators found that he claimed to have decided cases with the help of three mystic dwarves named Armand, Luis and Angel on whom he depended for psychic powers and the ability to write while in a trance.

WHORES FOR THE INFIRM

Under a scheme funded by the protestant church and the EU, prostitutes in Germany are being given the chance to "retrain" as geriatric nurses in the course of a two-year program for auxiliary nurses in North Rhine, Westphalia. The plan aims to ease the chronic shortage of nurses while offering Teutonic sploshers an alternative to prostitution.

Rita Kühn, of the protestant church's welfare programme, said: "They [prossies] are very good with people, have no fear about touching or being touched, and don't get squeamish."

SLAYING BY THE RULES

When Charles Henson was convicted of attempted murder in Bristol, he insisted he couldn't possibly be guilty. His ex-wife claimed he had stuffed his latex-gloved hand down her throat, "...knowing that she had a latex allergy that would be fatal within minutes". Henson, however, insisted the very notion that he tried to murder her was an impossibility because, according to the couple's "contract" setting out the BDSM rules they followed in their sex lives, "section four" stated very clearly that "the Master does not have a right to kill the slave."

NICE BLOKE

At his recent trial in Tacoma, Washington State, smirking self-confessed triple murderer Ulysses Hardy III (24), laughed at his victims' weeping families in court, and told them to "get over it".

THE PRIVATES OF PENZANCE

Performance artist Kira O'Reilly's recent show in Penzance, snappily entitled "Inthewrongplaceness," consisted of a naked woman (that would be herself) cradling a dead pig for four hours and sparked outrage among animal lovers and horrified mutterings of "crap" from entertainment and art critics alike.

An unrepentant O'Reilly later commented on her website: "The work left me with an undercurrent of pigginess and unexpected fantasies of mergence," adding that an "interspecies metamorphoses began to flicker into my consciousness."

The pig, meanwhile, maintained a dignified silence on the whole subject.

URBAN LEGEND...

...OR HARD FACT? YOU DECIDE!

"THE CHANTING BEHIND THE WALL"

THIS YOUNG BLOKE (actually, he'd be about your age, and of similar appearance, come to think of it) was walking along a silent city street on his way home from his girlfriend's house at about 4 in the morning when he began to hear the chanting of many voices in the distance. As he trudged along the shouted chants sounded closer and closer and he could hear a whole bunch of people yelling "Nine! Nine! Nine! Nine! Nine! Nine! Nine!" A few more strides and the roaring of the voices seemed to be coming from directly to one side of him - from behind a high concrete wall.

Bewildered, he paused, and, noticing a small hole in the wall, he put his eye to the hole to see how many people were on the other side and why they were all chanting a number. As he did so, a thin stiletto-type knife was jabbed through the hole from the other side, and twisted violently, gouging out the poor bloke's eye. Screaming, he staggered away in agony to find help... and the people behind the wall started yelling "Ten! Ten! Ten! Ten! Ten! Ten! Ten!"

"THE ABERDONIAN MEDICAL STUDENT"

AN EXTREMELY UNPOPULAR FEMALE Aberdeen University medical student had pissed off one too many people, so some of her fellow undergraduates got together and decided to give her the fright of her life. One crept into her room in the halls of residence while she was asleep and carefully placed an amputated arm from the Marischal College morgue under the bedsheets next to her.

The next morning they all anxiously awaited her reaction but she didn't appear at breakfast, and she missed all her classes.

Eventually they all got back from Marischal College and rushed in to check on her - only to find the poor girl sitting bolt-upright in bed, her eyeballs turned up into her brows... moaning and gurgling as she gnawed greedily on the now-almost entirely fleshless severed arm.

TOP TEN... BEST PLACES TO HAVE COCKTAILS

1. Seated with your girlfriend on either side of a coffin containing the carcass of someone you really, really don't like.

2. Splashing down your throat into your gut and passing through your brain and liver.

3. On a Bond movie set. You can order them "shaken not stirred" without anyone batting an eyelid (or, indeed, finding it the least bit amusing, even when you do your ultra-convincing Sean Connery impression).

4. Locked in a chest freezer. Plenty of ice to hand and totally private, so no-one can count the embarrassing number you knock back.

5. In a cocktail bar. (Need we explain why this one didn't top the list?)

6. In a holiday chalet at a crummy resort. The more you drink the better the dump is liable to look. Drink enough and you may even imagine you are having fun.

7. Whilst steering your convertible over a cliff, Thelma and Louise style. There's nothing quite like sipping down that final screwdriver with the warm wind in your hair.

8. In an octopus's garden in the sea.

9. In Hell. It's pretty hot down there apparently, so a cool drink with a bit of a kick might help to take the edge off things a little.

10. In bed, immediately prior to shagging the skirted horror you dragged home after getting blotto at the club. After all: surely effecting the transition from inebriation into total unconsciousness is preferable to 18 years paying child support.

SECRETS OF THE STUDS!

Every wondered how porno stuntcocks manage to hold out so long before finally dropping their load over their obliging co-stars? Each month, we'll reveal a stone-cold-certain method of holding off that vinegar stroke until the director's good and ready for it.

1. The Kings And Queens of England.

A true classic – devised, some claim, by the legendary John Holmes while on the set of *Doctor Gonad's Sex Tails* back in 1977 – this is a paragon of simplicity. Your eager-not-to-come porn stud has merely to attempt to remember all the reigning monarchs of England, starting from 1066. Really hardened pros work backwards...

EVE 'ER INDOORS

Come rain or shine Evelyn's not the sort to be left home alone!

PHOTOS: PETER FLODQVIST

The last couple of times we've featured the elegant Evelyn she's been cavorting about in her favoured location – the great outdoors. But unfortunately for this shoot British weather being what it is around this time of year forced her indoors, much to her dismay…

"I hate it when the weather's bad and I can't go outside. There's nothing worse than being cooped up, especially when I'm desperate for a bit of sexual pleasure. Sometimes I get so desperate that I'll gladly brave the elements just so I can get out of my house. In fact, I've had sex outside in the pouring rain a couple of times and while it might not have been the most comfortable it certainly did the trick. I remember once I was knelt down in a puddle in an alley way giving head to a guy I'd known for a few days. When he eventually unleashed his load over me, my face was running with a mix of rain, make-up and creamy spunk!"

Well remember to take a brolley with you next time! ♣

club's kit bag

This Month: HI-DEF

Want to stock your swish bachelor pad up with the latest gear, but not getting much of a pointer from the spotty assistant down in Currys? Well, luckily for you Club's Kit Bag is here, to advise you on what's a hit and what's sh...amefully poor. This issue we'll take a leisurely stroll through the stately grounds of the latest new technology to get our blood pumping — high definition...

HI-DEF JAM

Okay, so what the merry Hell is High Definition? Well, in a nutshell HD is like having your old, creased and overly critical wife replaced by the government with a foxy young sexpot. Seriously.

You see what you have at the moment is Standard Definition, a system which gives you a resolution of 720 pixels horizontally by 576 pixels vertically (720 x 576), but with HD you get a whopping 1,920 x 1,080 which makes for pictures so incredibly detailed that, when HD porn arrives, it'll have an almost gynaecological edge to it.

When it comes to something to watch £289 buys you a year's subscription to Mr Murdoch's Sky HD channels, providing you with countless hours of sport, movies and even the likes of National Geographic, whilst Sky One runs a simultaneous HD broadcast of all its programming.

Or £50 will get you the Telewest Broadband TVDrive – a Personal Video Recorder (PVR) with a 160GB hard drive. Throw in the monthly £15 subscription and you can record two HD programmes to the hard drive while watching a third!

Even the sluggish old BBC is now trialling its own HD channel, so soon you'll even be able to watch all the bloody misery of *Eastenders*, *Strictly Cum Gargling* and *How Do You Solve A Problem Like Gonorrhoea* in glorious, jaw-dropping, pant-wetting high definition.

SPIN CITY

But it's not just all about TV. Nope, thanks to the arrival of the long suffering PS3, you no longer have to suffer piss-poor graphics and eye-aching pixelisation when gaming, as each console is capable of HD! So, finally, you'll be able to enjoy all those scantily clad fighting girls games and Lara Croft in the manner in which you have, ahem, always wanted to. Oh, and flatpanels are wipe-clean too!

However, if gaming is not your thing (what's wrong with you?) and TV is just a bit too common for you, then there's even something for you.

Thundering onto the shelves right now are the two opposing armies of Blu-ray and HD-DVD players. Ultimately, in a format war reminiscent of VHS vs Betamax, one will triumph over the other, but it's far too early to say which at this point. Toshiba's HD-DVD was the first HD disc player on the shelves, but with the JVC and Sony favoured Blu-ray set to include such titles as *Spider-man 3*, *Casino Royale*, *Superman* and *The Da Vinci Code*, my tip is to keep a keen eye on the studios.

1,080p output via HDMI connection and even has a memory card hub, so you can display your digital photography directly on your huge high res screen!

The LCD:
JVC LT-32DX7
Price: £900
Visit: www.jvc.co.uk
There are those that would argue that 32-inches is not enough to truly appreciate HD. These people have small cocks. The JVC 32-incher is just the right size for most people's houses and produces images so sharp that if you get too close it'll circumcise you. Colours are crisp and more realistic than the outside world, plus you can hook up your high-def boxes directly, making this an absolute bargain.

The HD Box:
Sky HD
Price: £289
Visit: www.sky.com/hd
Okay, so it's obviously the more expensive choice, but it does give you a world of options when it comes to channels, not to mention all the beautiful people from Sky One's endless bounty of beautiful people available to you in glorious high definition, allowing you to enjoy their flawless skin, perfect smiles and shiny hair in greater detail than ever... the bastards.

GET THE HI-DEF LIFE

The Projector:
Marantz VP-11S1
Price: £10,000
Visit: www.marantz.com
Not the cheapest option, but the gateway to home cinema heaven. Delivering 68-billion colours, it is able to produce an image up to seven-metres in size, this is the full Odeon experience in HD.

The Blu-ray Player:
Philips BDP-9000
Price: £850
Visit: www.philips.co.uk
Impressive looking, the Philips weighs cheaper than all other Blu-ray machines, boasts full

The HD-DVD:
Toshiba HD-XE1
Price: £700
Visit: www.toshiba.co.uk
Toshiba's second HD-DVD player, this step up machine delivers superbly crisp HD images and, excitingly for home cinema enthusiasts, even comes with an HDMI 1.3 connection. This all-new connection option allows for even better colours but, of course, means you'll need a TV with an HDMI 1.3 port to see these improvements... and they're not exactly available yet! ♣

SHAVEN NOT STIRRED!

Victoria's been foaming at the muff because she likes to keep herself trim!

PHOTOS: JACKS

By the time you read this, those clever boffins from one of the major men's grooming products companies will have no doubt unleashed their 9-blade razor on to the market, delivering what promises to be the ultimate in shaves. And no one is looking forward to that moment more than Victoria, after recently discovering the joys of downstairs grooming...

"When one of my girlfriends suggested I should shave all my pussy hair off I thought she was joking. Then one evening when we were getting dolled up for a night out she convinced me to take a razor to my muff, and you know what? The smooth feeling is fab and now when I pleasure myself I get turned-on just by stroking my shaven area. I can't wait to see a guy's reaction when he goes down on me, in fact, I'm so desperate to know I'm going to force myself upon the next man that looks at me and demand he tucks into my snatch!" ♣

Being used to sheep, the Dirty Sanchez boys were baffled by what to do with a porn star.

Mmm, this drink could do with a bit more milk.

We caught Banksy in the act, but were persuaded not to grass.

The moths had been playing havoc in Michelle Thorne's wardrobe again.

And The Sinner Is...

It's about time UK porn industry had their own Bofftas!

Now you might think working in the porn industry is the easiest job in the world, but it isn't. OK, it's not as difficult as working on oil rig or being a nurse but we still have to wake up at midday, get chauffeur driven to the office, open a few e-mails, look at some naked women, chat to some photographers and then knock off early to go to the pub – so we were glad to see all the effort finally being recognised at the first UK Adult Film Awards.

London's Hammersith Palais was the venue for this pornstar-studded affair (think the Oscars with less clothing) and throughout the evening awards such as Best New Starlet, Best Female Performer in a Girl/Girl Scene, Best Softcore Film, Best-iality and Best Get Your Clothes Back On were dished out. Even Lord Benjamin of Dover got a Lifetime Achievement Award, and rightly so since he surely must be over 100-years-old by now. As with all award ceremonies, once the formalities were over it was time to cane the free booze and let the filthy fun begin.

Unfortunately, the *Club* team missed all that by going home early since we didn't win a thing, but hey, critical acclaim doesn't pay the rent. And there's always next year! ♣

LAID BARE

Like her shelves, Suzannah's sex life has been empty – until now!

PHOTOS: MB EUROMEDIA/MARCO MARI

Just like Old Mother Hubbard, Suzannah's cupboards appear to be bare. But don't start feeling sorry for the poor girl and inundating her with food parcels, her cupboards are bare because she's just moved into a swanky new pad and hasn't unpacked everything. Like most new tenants she's got a few vague ideas about where things are going to go, but more importantly, she's got a definite plan of what's going to go on in her new flat...

"I've just moved out of my parents' house and so I'm looking forward to my new found freedom. When I was living with them I could never bring men back but now there's nothing stopping me. I've made a promise to myself that I'm going to christen each room in the house before the month is out. Whether that means I'll be fucking one guy a lot of times, or fucking a lot of guys just the once, it doesn't matter. But I'm particularly looking forward to getting licked out on the landing!" ♣

MEDICAL MIX UP

A doctor is going round the ward with a nurse and they come to the first bed where the chap is laying half dead.

"Did you give this man two tablets every eight hours?" asks the doctor.

"Oh, no," replies the nurse, "I gave him eight tablets every two hours!"

At the next bed the next patient also appears half dead.

"Nurse, did you give this man one tablet every twelve hours?"

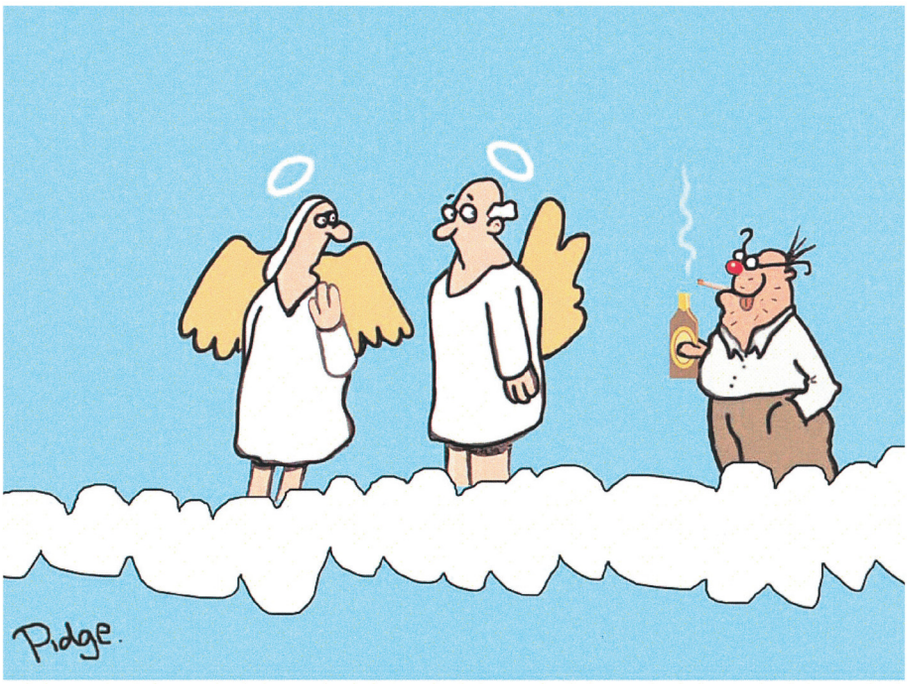
"Oops, I gave him twelve tablets every one hour," replies the nurse.

Unfortunately at the next bed the patient is well and truly deceased, not an ounce of life.

"Nurse," asks the doctor, "did you prick his boil?"

"OH MY GOODNESS!" replies the nurse.

Sean, Telford



" You keep him talking while I go and fetch security. "

BACKSEAT DRIVERS

A teenager has just passed his driving test so his parents let him take them for a ride in their car. Both the parents climb in the back despite there being a spare seat in the front, so the teenager asks if it's so they can enjoy the view.

"No," his father replies. "It's so I can kick the back of the seat like you've been doing all these years."

Chris, Stafford

SECOND OPINION

A woman in her fifties is at home happily jumping – unclothed – on her bed and squealing with delight. Her husband watches her for a while and asks, "Do you have any idea how ridiculous you look? What's the matter with you?"

The woman continues to bounce on the bed and says, "I don't care what you think. I just came from having a mammogram, and the doctor says that not only am I healthy, but I have the breasts of an 18-year-old."

So the husband asks, "What did he say about your 55-year-old arse?"

"Your name never came up," she replied.

Brian, Peterborough

WORDS OF WISDOM

A man is about to step outside a building when he hears a voice say, "Don't do that, you'll regret it!"

So he doesn't step outside and at that moment the scaffolding outside comes crashing down.

Sure that he is now safe, he walks out and down the street. He's just about to cross the road when he hears the mysterious voice again. This time it says, "Don't do that, you'll regret it!"

Taking heed of the advice again, the man pauses at the kerb just as a lorry comes out of nowhere and whizzes past him.

Grateful for the advice, the man asks, "Thanks, but who are you?"

"I'm your guardian angel," answers the mysterious voice.

To which the man replies, "Well, where were you on my wedding day?"

Nick, Salford

HEIGHT OF STUPIDTY

While driving along the back roads of a small town, two truckers in a rush came to a bridge with a sign that read CLEARANCE 11'3". They got out and measured the height of their truck, which was 12'4".

"What do you think?" one asked the other.

The driver looked around carefully, then shifted into first. "No police in sight. Let's take a chance!"

WISH DOSHER

A little old lady was in the kitchen one day, washing the dishes when suddenly a little genie appeared beside her.

"You've led a long and good life," the genie said, "I have come to reward you by granting you three wishes."

Not really believing that anything would happen she decided to play and said, "OK, turn all those dirty dishes into money."

With that there was a big poof! and the dishes turned into a pile of cash.

"My," said the old lady, staggered that it had actually worked, "could you make me look young and beautiful again?"

There was another big poof! and the woman looked younger and more beautiful. So then she said, "Can you turn my dear old cat into a handsome young man?"

Once more there was a big poof!, and the cat was replaced by a handsome young man.

"At last!" said the woman. "Now I want to make love with you all night long!"

The young man looked at her for a moment and then replied in a high pitched voice, "Well you should have thought about that before you took me to the vet!"

GINA

PHOTOS: PHOTORAMA

Gina regretted the day she agreed to getting experimental in the bedroom with her boyfriend. The introduction of a sex swing meant getting fucked in a few out of the ordinary positions and was promptly followed by a visit to A&E. It seems after a lack of limbering up lead to unnecessary grief on the spine. As a result she was referred to an osteopath to mete out some heavy-handed massages and told her to keep it strictly missionary for the next few months. So how is she coping?

"To be honest, my back problem cleared up months ago but I still make a fortnightly visit to the osteopath because he's so dishy. At first I was obviously in agony and the way he was twisting my spine wasn't pleasant. But after several more visits my back felt fine, and I didn't tell him that. Now I still have my appointment every couple of weeks but I really make the most of it. I wear my best underwear and get my hair done before each appointment, Then when he goes to work on my back I drift off into a fantasy world, imagining he's massaging me on some far away beach. Then when the session is over I go straight home and frig myself with the thoughts of his manly touch without him knowing!"

Well, it's funny you should say that, because your osteopath told us he knows your back is better – he's just playing along with it to get his own cheap thrills! ♣

FREE YOUR

... and a whole load of mumsy ass will follow!

Being a full-time mum is bloody hard work. At least, that's what bleating full-time mums will tell you. How are they supposed to get time once they've dropped little Jemima off at her private school to squeeze in an appointment with the manicurist, a session with the personal trainer and a couple of interviews to find their next nanny?

Still, one thing a stressed mother can rely on is her 4x4. No matter how difficult the terrain is in Waitrose's car park, the hardy family off-roader will never let her down. But why do so many of these poor, downtrodden women drive a Land Rover Freelander? It's been around for donkey's, and is no match in terms of quality or practicality for the best in the class, while under the skin lie some bits and pieces of Austin Rover's godawful Maestro.

Sadly, it all comes down to image. The Land Rover brand is one of the strongest around, and although parallel parking a Discovery or Range Rover is way beyond most mums, it's just about possible in a Freelander, as long as hubby doesn't mind the odd bill for kerbed alloy wheels.

But now, hubby might start to complain. In fact, he may even insist on taking the keys to the family car and buying her indoors a – whisper it! – people carrier. Because Land Rover's new Freelander has just arrived, and it's set to consign the spongy, flakey and lacklustre outgoing machine squarely to the history books.

At last, here's a compact SUV worthy of the Land Rover badge. And much of it is down to the dramatic, edgy styling. Out goes the flabby look that's been around for years, replaced by a design which borrows heavily from the Discovery and Range Rover. The clamshell bonnet and stepped roof remain, but with its muscular front end, comprising modern wraparound headlamps, plus a strong shoulder line, the new Freelander looks every inch the all-conquering 4x4.

And this is no illusion. The original Freelander was capable enough in rough terrain, but the newcomer takes this to another level. The full-time intelligent four-wheel-drive system optimises traction in the trickiest conditions, and incorporates a new electronically controlled centre coupling to ensure drive goes to the wheel that needs it most. It's also fitted with hill descent control for the steepest inclines and declines, while the Terrain Response set-up allows the driver to switch the settings of the suspension, 4WD and traction control according to the conditions they're negotiating.

Admittedly, the worst most Freelanders will ever have to tackle is a big mound of horse shit and a couple of flooded potholes at the gymkhana, but Land Rover's engineers should be applauded all the same for coming up with such a genuinely unstoppable package on a car in this class. Especially when you consider how good their latest model is on tarmac. Where the previous machine wallowed through corners, the newcomer is sharp and precise. The monocoque construction provides

MIND

immense stiffness, translating into superb balance and poise when pushing on, while the responsive steering adds to the dynamic package. Here is an SUV that takes bends like a car; it's impressively agile and rewarding to drive. What's more, it's fast.

Yet while the step forward in terms of pace and dynamics is marked, it's the new Freelander's interior that sees the biggest improvement. The cabin has much more of a premium feel; higher-quality materials are used throughout. There's more space in the front and rear, and the driving position is much better, with a wide range of electric adjustment on the chair. In addition, passengers in the back benefit from 'stadium seating'; they sit higher up than front occupants to get a better view. The equipment tally is pretty generous, too – keyless start, adaptive lighting, rain-sensing wipers and touchscreen DVD sat-nav is all included – although with prices from nearly £21,000, that's exactly what you should expect.

The previous-generation Freelander was the class's top seller in the UK until the end of 2005; brainless parents bought it even though it was an inferior product. So Land Rover needn't have gone to too much trouble with its replacement – but thank the Lord they did. The new machine is chunky, rugged and dynamically superb. It's lost the mumsy appeal of its predecessor, and will now appeal to even posher families. Here's a car layabout mums really could go to Iceland in, even though they only want to drive it badly to the golf club and back. ♣

Well, fortunately it's nothing too serious, just a small case of being unable to find a man capable of satisfying her.

"Surely there's a suitable guy among your vast array of readers who can make me feel like a woman? I don't think I'm particularly hard to please, I've just been unlucky with all of my previous partners. Stereo of Filth & Love!

Brought to you by Club's No. 1 music madman DJ Radio Jamaica

Having supported Babyshambles, Kasabian, and Noel Gallagher, women simply love The Holloways and most would do anything to wank them off. *Club* chats to singer and guitarist Alfie...

Have you ever been to hospital for anything?
A few times. The best one was when I was working on a fruit and veg stall. It was seven o'clock in the morning and my mate passed me a cucumber to cut in half and I went through the cucumber into my finger. I had to go to casualty and they sent me home and that's when I saw 'Supersonic' on *The Chart Show* on ITV and that was the night I decided I'd start playing the guitar I got when I was younger. And that's where it all started really...

Nice.
Also, I once did an overhead kick in my garden and fell on the path and split my head open. I just lay there for about ten minutes then realised that my head was wet and covered in blood. My big brother offered to take me to casualty and he'd just got sunburnt up in Scotland and his back was covered in flaky skin. I used to love peeling dead skin off feet and stuff – I had a real thing about it. So when we got back from the hospital with the stitches, we watched *Back To The Future 2* for the first time and I peeled skin off my brother's back. Good story, innit?
Another time, I nearly chopped my thumb off in woodwork and the head mistress had to take me in. I was white as a sheet and had a big red paper towel around my thumb, and she said, "Right, in my car." She drove me to the hospital and I think she might have had to get a new passenger seat 'cos I was sweating like fuck in it.

Was she fit?
She had somethin' going on actually, Mrs Moore! I didn't really appreciate it at the time, but lookin' back on it now. She must have been in her 40s so she must be pretty old now. She wore knee length type sort of skirts and nice tights and nice shoes and had a nice little jacket thing going on. She was pretty cool, really...

Where's good for a stag do?
Ibiza. I recommend jumping in the sea at night and borrowing someone's boat like we did! We drove it round to another beach and then I took it back on my own a few hours later 'cos I had a massive guilt trip. We did a few gigs out there last summer. It's a bit chavvy, but we had a great laugh.

Smart. When was your first ever shag?
I was seventeen and it was with my first ever girlfriend. It was back at my house in my bed before my mum got back from work and it was pretty good, I quite liked it. We'd been fiddling around in bed with each other during previous weeks and it just kind of happened.

Where did you put the johnny afterwards?
Didn't use one!

Same here. Ever had a threesome?
No, only with princess palm and her lovely twin sister!

Ah, the old double shake! Have you got any unusual qualifications?
I'm a qualified presentation scheduler in television which I learnt at ITV before I realised I had a decent band worth focussing on.

Cool. What was the Babyshambles tour like? I see you're not a smack head?
Playing to a couple of thousand people every night was fucking brilliant. They pulled out of the tour three quarters of the way through so we decided to book ourselves into smaller venues in the same cities because people still wanted to see us, so we soldiered on.

Any mad ones with Doherty?
Not really, he came into our dressing room one night with some mates and a few big fans and me and him and Rob had a couple of guitars and a harmonica and a fiddle and we were just singing along playing loads of different covers and stuff – that was pretty good.

Result. Ever fired a gun or a cross bow?
We were in Nottingham recently and we went to the Robin Hood Experience. I had a go on the archery and my girlfriend beat me.

Ah, your girlfriend! The word on the street is that you've been knocking off Jeremy Beadle's daughter!?
NO COMMENT!

Cheers Alfie, nice one fella. Keep on shaggin' Miss Beadle! ♣

PERSONAL DETAILS

NAME: Jasmine
AGE: 23
VITAL STATISTICS: 34-30-34
WHAT'S SHE LIKE? Just like her perfect breasts she's a bit of handful!

WHY DID YOU WANT TO BE IN CLUB?
I share a house with a couple of lads and they're always bringing home porn mags and DVDs, so I've got into the habit of reading them and watching them, too. I looked at a lot of porn and thought I could do better – so here I am!

WHAT'S YOUR FILTHIEST FANTASY?
I'd definitely like to experiment with bondage and play at being the dominant one. I'd love to be able to boss my boyfriend about and make him do things to please me.

LIKE WHAT?
I'd get him to walk around naked on his hands and knees while I slap his arse. Then I'd demand that he lick my pussy until I was ready to be fucked. Then I'd go on top and ride him until his balls were empty.

IS BEING ON TOP YOUR FAVOURITE POSITION?
Well, it's one of them. I haven't got a particular favourite but I like to try a variety of positions each time I fuck. My boyfriend loves taking me from behind but I prefer to look at him while he's shagging me. Nothing brings me off quicker than the look on my his face when he's sliding his cock deep in my pussy.

DOES HE EVER DO YOU UP THE BUM?
All the time. I've always loved a bit of anal – whether I'm sticking a cock, a dildo or even just my fingers up there. I don't understand girls who complain about arse fucking, it's one of the most exciting sexual experiences you can ever have! And nothing beats the sensation of a man unloading his hot sticky load up your back passage – I'd recommend it to any girl craving satisfaction! ♣

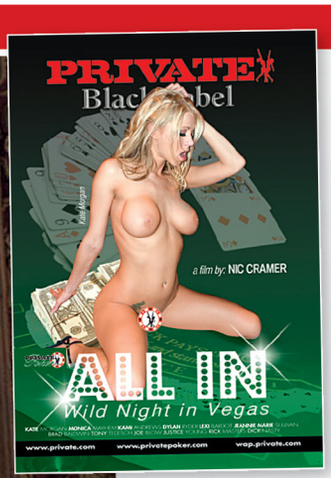
STAR RATINGS: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

All In (Private) — DVD



Poker seems to be as good a passport to easy money and minge as any, so I guess we really should have expected a scruff flick about it by now. This effort from Private differs from their traditional fare in that the talent on display is mostly American – a nice touch which means the accents aren't all over the place, and some of the 'acting' seems a bit more natural. There's plenty of hustling going on, and a few nice TV poker touches for anyone who cares about that, but of course we know what we're really here for, and, while the sex is alright, there are no scenes that really leap out at you. Indeed there's only one anal scene, which for a Private flick is a bit stingy! So while cover girl Katie Morgan's damn cute, in a Mariah Carey sort of way, it's probably a bit on the clinical side for most tastes. ★★

It Takes Two (Red Light District) — DVD

Marvin Gaye and Kim Weston's 1966 hit has received very little recognition in the porno world, but sadly this trend continues with this flick. Still, you'd probably rather get off to a movie that involves some lucky studs getting their end away with a brace of eager porno flampers, wouldn't you? Yep, it's every man's fantasy, and there's plenty of it to go round here. Cindy Crawford and newbie Carmel Moore are up first, and seem to make the most of the whole thing, but in all honesty it's all starting to get a bit samey until the fourth and final scene, in which Asian babes Keeani Lei and Max both take a frantic back-scuttling on their way to fulfilment. ★★★

Internal Discharge 3 (Platinum X) — DVD

And now for something completely filthy. We've been fairly restrained with our first two offerings this month, so we're rounding things off with a muckier affair. It's a cream pie special, featuring five mucky young ladies getting their holes pumped full of man-fat. Wigan born Holly Wellin is first out of the blocks, and looks like just about the sluttiest thing on two legs as she drains a couple of stuntcocks fore and aft (with some top DPs along the way). Four other tarts carry on in a similar vein, so although you probably wouldn't want to watch this one from start to finish in one go, it'd be ideal for dipping into once in a while if you fancy some full-on grot... ★★★

Kids In America (Momentum) — DVD

Is there no end to the demand for American teen flicks? Well, it seems not – we just can't get enough of those Prom dates and graduation anxieties! Alright, so this film's a weenie bit more savvy than your average High School effort, and boasts an eye-pleasing cast that includes Nicole Richie and Rosanna Arquette, but is that enough of an excuse? The plot, for what it's worth, revolves around a gentle student revolt after they've got fed up with their principal. From the interviews at the end, it seems it's loosely based on a few real events, but it plays pretty fictional, and probably has very little of interest to say to anyone in this country. ★★

Lie With Me (Metrodome) — DVD

These arthouse films are getting saucier and saucier, aren't they? Still – it's hard to think of a film that's ever been ruined by having too much filth in it, isn't it? This American offering stars *The O.C.*'s Eric Balfour and Lauren Lee, from *The L Word*, and claims to challenge Mike Winterbottom's notorious *9 Songs* in its explicitness. Well, it ain't as rude as that, but you certainly get to see Lee grappling with Balfour's old chap, as well as getting up to quite a few other naughty things! Don't watch this if you want to get your rocks off, but if you fancy a thoughtful and provoking take on modern romance, it'll do the trick. ★★★

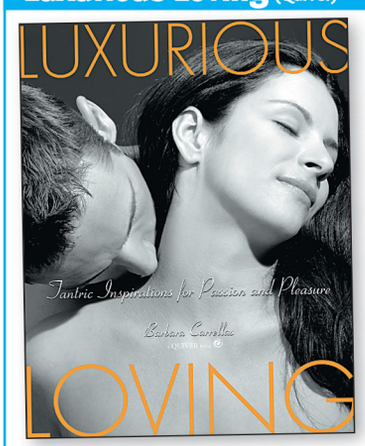
Guild Wars: Nightfall (NCSoft) — PC GAME

And so it's time for round three of the ass-kicking *Guild Wars* franchise, and there probably won't be too many surprises in store for regular *GW* gamers. There are some additions – new professions to pick your character from, scythe-wielding Dervishes and heavily armoured Paragons (while the Ritualists and Assassins from *Factions* have gone - although if you've got one already you can transfer them in), but apart from that everything's pretty much as you'd expect. Not that you need to be a battle-hardened pro to make the most of it – this installment in pretty accessible to the newbie as well, making it perfect for time-rich PC gamers everywhere. ★★★

Luxurious Loving (Quiver) — BOOK



We've read quite a few tantric sex guides over the years, and generally speaking they're either baffling or just plain bollocks. This book, on the other hand, seeks to take the principle of tantric sex and convert them into rather more practical advice on how to get your rocks off in style. Alright, so some of the tips, like 'Remember to breathe' seem rather unnecessary, but later on in the book there are quite a few things that you might want to try out. Generally speaking, the book seems to be aimed at the ladies (they love all that smellies stuff anyway), so why not get it for your mis-

Thankfully, polonium wielding spies aren't the only thing coming out of Russia these days – thanks to Nouveaux Pictures there's also a steady trickle of worthwhile films as well. It's a well-known fact that Russia paid a far higher price than we in the west did for victory in WWII, and it's high time this fact was more widely reflected in the cinema. *The Star*, which is partly based on true events, follows a small unit of Russian soldiers who are dispatched behind German lines to ferret out what they can, and features some stunning set pieces and fantastic production. Definitely up there with Hollywood's best of late... ★★★★

Talledega Nights (Sony) — DVD

Apart from *Anchorman*, it's hard to think of a flick from which Will Ferrell has emerged smelling entirely of roses – *Bewitched, Dodgeball*, and a clutch of other frat-style comedies have promised more than they've delivered, so perhaps he had a bit to prove with this one. He stars as an All-American NASCAR driver who finds his supremacy being undermined by Sacha Baron Cohen's outrageous French rival. It's the sort of brainless fun we've come to expect, and certainly worth a viewing – if only for Baron Cohen's show-stealing turn. Still not sure about Ferrell, though... ★★★

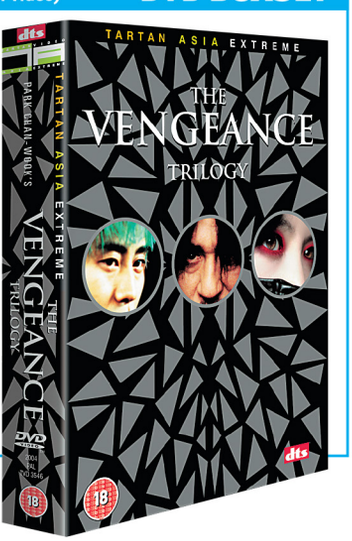
The Vengeance Trilogy (Tartan Video) — DVD BOXSET

If you've ever seen a Korean movie, chances are it'll have been one of these three – because director Park Chan-Wook's really broken out of the domestic market and gave them real international appeal. OK, so perhaps the first film, *Sympathy For Mr Vengeance*, didn't ruffle too many feathers over here, but by the time *Oldboy* came out, people were starting to take notice (it is, inevitably, being remade in America as we speak). Then came the eye-catching *Lady Vengeance*, which also went down a storm, making this extras-laden set a real must-have for lovers of quality Oriental fare. ★★★★



Dancing With

The Devil

Dave 'Devilfish' Ulliott is without doubt the biggest character in poker. He'll call a spade a spade, he's broken a few hearts, he's flogged a few diamonds in his pawnbrokers, and he's played in some dodgy back room clubs...

First thing's first – do you ever take girls back to your hotel room and have a game of strip poker with them?

Not for years. I did when I was in my twenties!

What's the strangest thing that's ever happened to you during a game of poker?

I used to manage a snooker player called Kevin Ashby and we went down to the Isle Of Wight to try and get his pro ticket which is what you had to do in those days if you wanted to become a pro. So we got a poker game going, and in the middle of the game some girl dressed as a policewoman just stepped onto a chair and jumped onto the table and started to take off her particulars. That was quite strange.

Did she handcuff you and shave your nads?

No, but I went ALL IN!

Good lad. Do you get recognised much?

Yeah, people know me from the telly. I was once in this club in Barcelona and I walked up to these three big ugly skinheads and I says to them, "You can't sing, you can't dance, and you're all ugly." At the time, I'd just changed from the old Devilfish look so there was a good chance that they wouldn't recognise me. Fortunately, one of them goes, "You're that fuckin' Devilfish guy aren't you," and he starts shaking my hand. So I was lucky, I could easily have got a good kicking.

How's your racehorse getting on?

It's err, it's not actually getting on! It's been running a bit better over the last couple of races but we're getting another. We're getting a real good one this time. It'll be called devilfishpoker.net. The one I've got now, well, it wasn't the best buy in the world.

So you're looking to get into the horses properly then?

No, I'm trying to get out of it! Horse racing is a tough game. But I do like the horses. I like places like Ripon on a night meeting in the summer, 'cos it's nice and quiet. I mean, you can say what you want about the Royal Ascot and all that, but it's packed out, there's people everywhere, you can't sit down and you can't buy a drink or you can't put a bet on. I'm just not into that sort of stuff. I do like having a bet although I'm banned from all bookmakers – they're frightened to death of me. I'm a very good judge of the horses these days and I only back each way on fast ground at big meetings. I have a lot of people putting bets on for me.

What's the most you've won on the gee gees in one swoop?

A couple of years ago I backed six winners at Royal Ascot and I got Joe Beevers from the Hendon Mob to put the bets on with Blue Square. I got £80,000 back and I had one at 20-1 and another at 14-1 so imagine what I could have got with an accumulator!

"WE GOT A POKER GAME GOING, AND SOME GIRL DRESSED AS A POLICE-WOMAN JUMPED ONTO THE TABLE AND STARTED TO TAKE OFF HER PARTICULARS"

Nice. Do you find there are plenty of drugs in poker to spend your cash on?

There's drugs everywhere in every walk of life these days, especially in places like Vegas. I mean, I don't touch them myself – I like a drink, me. I've been in some places where it's there on the table if you want it, but I don't bother.

Have you ever played cards with any gangster types like on *Lock, Stock & Two Smoking Barrels*?

Plenty of times – in London mainly and also in Vegas with Benny Binion and the family. They were some of the only people that the Mafia couldn't remove when they went to Vegas. I once got requested to play in a game with some cream of the crop London gangsters. They were really nice guys, you know. I've had a bit of a dodgy time in the past so we're all from the same walk of life. Most of them are gentleman and nice kids.

Has anyone ever put a gun down while you've been playing poker?

Yeah, I have. I've been banned from games for carrying one. Derek Baxter banned me from a game in Birmingham for taking a gun in, but in them days I used to play in Leeds, Bradford, and Birmingham and occasionally somebody would run in with a gun trying to take everybody's money so I used to carry one with me.

Has anyone ever put a gun down on the table and you've left yours at home?

No. I used to play a lot in the north of England and I used to play on my own quite a lot, so once word gets around that you've got a gun on you, then they tend to leave you alone. It's quite a good deterrent. I was once playing at a club in Bradford and I was walking out of the door with my friend Gary. I'd won all the money in the game so I came out last and turned the light out. It was a really dodgy place, out in the middle of nowhere. I came out of the fire escape and I

"I ONCE GOT REQUESTED TO PLAY WITH SOME CREAM OF THE CROP LONDON GANGSTERS"

heard this noise down below. There's some guys waiting for me down the alleyway and I took my gun out and fired it in the air. Gary didn't know I had this gun with me and imagine the noise it made on a winter morning at 6 o'clock. He let off a massive scream and all you could hear is the dustbins rattling everywhere down the back of the alleyway as they scarpered!

Serves 'em right. What's this about you being in a film?

Yeah, it's called *Poker Face*. It's about a bloke who has a good poker face, enters a tournament, and plays me in the final. It was shown at Cannes and it's been all over Vegas so we'll have to see what happens with that. I've also got a book out called *Swimming With The Devilfish* and if anyone wants to ask me any questions or if they want to try and take a few quid off me, they can go to www.devilfishpoker.com. I'm online a few hours every day so anyone can catch me.

Good work. What do you think you'll be doing when you get to 70?

I'll be on a beach somewhere with some young birds probably!

Happy days! Cheers Dave. ♣

With infidelity so rife in modern times, it's pleasing to know there are still some faithful types out there. Like Sandy. OK, we know she's appeared in other publications from time to time, but we're willing to forgive her for that since she always turns out her best for us. And all at the last minute if need be, as was the case with these photos...

"You don't know how privileged you are by me letting you into my house to take these photos. I usually like to keep work and home separate but since you've been so good to me over the years I'm willing to make an exception. That and the fact that I wanted to show off my new indoor swimming pool. I don't think any of those celebrity magazines are ever going to want to come to take photos of me giving the grand tour of my pad so I'm giving you the exclusive! Actually it's a shame you've got to go so soon as I've got a fit friend coming round for a swim and a whole lot more later – now that would be an exclusive!" ♣

THE BIG TEST

I wanted to fuck my personal tutor the moment I set eyes on her. She's in her forties, but I'd always had this thing about doing an older woman, and she was the sexiest woman I'd ever seen in my life. She's quite tall with raven hair, big voluptuous boobs and long legs that seem to go on forever.

After I'd met her a couple of times I managed to find out she wasn't married, and I thought, well, I might be twenty-odd years younger than her but I'd rather sink my cock into that than any of these vapid young girls on campus. She's got more sex in her left nipple than all these other little slappers put together.

I went to her office one lunchtime with the sole intention of asking her out on a date, knowing it was unprofessional for her to accept but thinking I might as well throw caution to the wind. She was sitting behind her desk and looked up at me over her spectacles, nearly making me spill my load on the spot.

When I popped the question she took it in her stride and seemed to like the idea, but she wanted to subject me to a little test.

"I don't like disappointment," she said, "so I want to know what I'm getting right now before I agree."

"What do you mean?"

"I mean I want you to make love to me here and now so that I can see what you're like – then if you cut the mustard I'll go on a date with you and then you can fuck me to your heart's content."

"What, you mean right now, in here?" I stammered with genuine amazement.

"Yes, now," she said, getting up and shutting the door behind me, which she then locked.

"I watched in awed silence as she lowered her big bushy cunt down onto my cock"

The next thing I knew her tongue was pushing past my lips and into my mouth, and her hand was hard on my crotch, squeezing my testicles rhythmically.

I cried out, but she silenced me by clamping her mouth on mine, then she took her jacket off and opened her blouse to reveal her enormous breasts slung in a sexy bra, her nipples poking hard into the material.

My tutor unfastened her skirt and let it drop to the floor, revealing those lovely long legs in black stockings and suspenders, and some sexy silk knickers. I slid my hand inside her panties and she moaned quietly as I frigged her big wet cunt, savouring the fleshy folds of a proper woman's vulva.

Pulling her knickers down nice and slowly, I got down on my knees to eat her out. I dragged a chair over so that she could lift one leg, then after admiring her soft black bush I shoved my head between her thighs and licked the length of her quim, from the dark and musky environs of her arsehole to the hard and erect nub of her clitoris. Her whole body tensed as I gently nibbled her clitty, and I fondled her peachy arse with both hands till my face was soaked with her love juice.

"Fuck me," she gasped, running her fingers through my hair. "Please, fuck me."

I stood up and freed my cock. I was rock hard by then and I was anxious to get it inside her. She started to push me downwards, and I surmised she wanted to ride me. As soon as I was on the floor she straddled me, and I watched in awed silence as she slowly lowered her big bushy cunt down onto my cock, and gradually fed me into her. I'd never seen anything so horny in my life as Dr Richards's big pink pussy-lips parting to take my cock, and I was horribly close to orgasm when I felt her bum come to rest on my thighs.

Once I was inside her, she took her bra off and got her tits out, and I reached up to give them a squeeze. They were so big and firm, and I pinched and pulled at her nipples till she drew a sharp intake of breath.

Her fucking was so fast I had to let go of her tits and just watch. She shagged me hard, riding up and down on my cock like a steam train, and I was quite hypnotised by the rapid and regular swinging and bouncing of her huge tits, simple harmonic motion amply demonstrated!

Just as we were both about to come, she pulled me out of her and turned around so that she was facing away from me. She quickly took hold of my cock and fed it back into her sodden cunt, her thick pubes matted with cunt juice and pre-come. The view I got of her bush, cunt and arsehole was phenomenal and as she started to ride me vigorously again I knew I was about to shoot my load.

The professor looked over her shoulder as she felt my cock begin to twitch inside her, and I came, squirting jet after jet of my hot jism deep inside her. She continued to ride me even when I was spent, and I reached forward to finger-fuck her dark little arsehole, causing her to cum almost instantly, her pussy contracting hard on my cock.

Satisfied, she lifted off me, and I was treated to the horniest sight of all – that of my white spunk

"I tasted the moisture on her pussy and then pressed my tongue against her clit"

glooping out from her juiced-up cunt. I think I passed the test, as you'll be pleased to know I managed to secure a date with her. I haven't thought where I'm going to take her yet, I'm more looking forward to the filthy fun we will have afterwards! – *Michael, Kent*

RANDY ROLE MODEL

I've always dreamed of being a catwalk model, but sadly my body isn't quite the right shape. Catwalk models have to be tall and anorexic, whereas I'm quite short and very busty, but that didn't stop me from enrolling with a modelling agency. Everyone says how pretty I am, so I was sure I could get some kind of work, and the agency seemed confident, too. Thankfully, their confidence wasn't misplaced – just a few days later, I got a call to say I'd been selected to do some lingerie shots for a major clothing catalogue.

I was really nervous on the day of the shoot, so I was pleased to make a friend early on. I was shown into a tiny dressing room, which I was sharing with an American girl called Jill. There were knickers, bras and basques lying everywhere. They'd been specially chosen for either me or Jill, and we were told to spend the morning making sure that everything fitted okay.

When I arrived, Jill was already going through the lingerie. She had slipped into a stunning black basque, complete with matching panties and hold-up stockings. Being an American, she was brimful of confidence and had no qualms about parading around half-naked in front of me. Being English, I was much more shy – I hadn't stripped in front of another girl since my last PE lesson over two years before, but that was all about to change.

The dressing room had no screen for us to change behind, so I just took a deep breath and removed all my clothes. Instant lezzer alert! I noticed Jill was eyeing up my DD-cup breasts, as I slipped into a red and white polka-dot bra and then into the matching knickers. The bra really gave my tits a lift, shaping them to perfection, a fact that Jill was quick to spot.

"How do I look?" I asked her, giving her a full-frontal view of my polka-dotted undies.

"I'd fuck you," she answered bluntly, then she stepped up to me, placed her hands on my arse and kissed my lips. Her tongue entered my mouth, but straightaway I froze, so she asked if there was something wrong. And there was something wrong – I couldn't believe what was happening. I couldn't believe how forward Jill had been, walking right up and kissing me, without even knowing if I was into girls.

"Don't you like it?" she asked, her hands still on my bum, and that was when I surprised myself. I'd never kissed a girl in my life before, but Jill looked so horny in her basque and

stockings that I nodded my head and answered yes.

"Then just relax," she told me, like she'd done this a million times before. No way was I the first young model to be seduced by this gorgeous, ultra-confident lesbian babe.

Pressing her lips back up to mine, Jill shoved her tongue inside my mouth. Her fingers cupped my buttocks, giving my peachy cheeks a tender squeeze, before creeping up my back and undoing my bra strap. At once, I felt my nipples start to harden, as I got off on the thrill of Jill's deep-throat kisses and the sensuous feel of her hold-up stockings. She had crooked her right leg, so I could grope all around the stocking top, fondling her upper thigh and curvy arse. After what felt like ages, Jill lowered her leg and moved her lips from my mouth to my neck. She kissed me there, then headed for my cleavage, squeezing my tits together and burying her face inside the crack.

Having kissed my inner crevice, she approached one of my nipples, taking the bud between her lips. Her tongue swirled round and round my swollen areola, wetting the sensitive outer circle and lashing the hell out of the upright stub. Groans of pleasure started dripping from my lips, as Jill took more of my breast in her mouth. She sucked hard upon my mammary, arousing the teat, till suddenly the room started smelling of my cunt juice. Gazing up at me, Jill spat out my nipple and asked me if my pussy was wet. When I answered yes, she dropped to her knees, yanked down my knickers and kissed my clit.

"Oh, yeah," I murmured, as Jill used her lips and tongue to excite my sticky pink bits. She focussed mainly on my clitoris, flicking it extra hard with the tip of her tongue, but now and then she'd French kiss my pussy, driving her tongue deep inside my snatch. More and more cunt juice started dribbling from my orifice, which throbbed as the sexual tension grew. Jill's oral skills were causing tingles in every part of my body. The throbbing in my pussy had spread to my extremities, leaving me breathless and weak at the knees.

As my legs began to buckle, Jill grabbed my hands and made me lie down on the floor. She tugged off her panties and then squatted on my face, before leaning forward to lick my cunt. Sticking out my tongue, I tasted the moisture on her pussy and then pressed my tongue against her clit. It had been a seamless transition into the 69 position, where we could pleasure each other's pussies at once – licking and kissing till it all got too much.

It wasn't very long before we both started coming, with Jill just seconds ahead of me. I was powering my tongue in and out of her gash when I felt her cunt walls tighten up. They spasmed hard around my tongue, then a thick wave of cream gushed into my face. It tasted lush, so I swallowed down a mouthful, while listening to Jill's orgasmic groans.

For a while she had to stop licking my

fanny, because all she could do was writhe and moan. But she soon got back into the swing of things, puckering up to my orifice and executing the ferocious tongue-thrust that made my pussy erupt with cum.

My whole body jolted, as my pussy started spurting, the juices gushing into Jill's gaping lips. I roared my head off, then dug my tongue back into her snatch, tasting and smelling her delicious cream. The forceful re-entry seemed to re-ignite her climax, making her cunt muscles convulse around my tongue. Suddenly, both our pussies were throbbing and overflowing with pussy juice at once. They were intense enough already, but our orgasms just got stronger and stronger, because we kept on stimulating each other's fannies in our frantic attempts to lick up all that yummy cream!

Climaxing so hard gets tiring after a while; otherwise we might never have stopped. Overcome with orgasmic exhaustion, Jill rolled off my body, kissing me with her come stained lips the moment she'd regained her breath. My body was aglow, which came in handy later that day when I stepped in front of the camera wearing all that sexy lingerie. Jill had made me feel so good about myself that I didn't feel any nerves at all. Her inborn American confidence must have rubbed off on me somehow – presumably while our bodies had been intertwined making lesbian love! – *Sara, London* ♣

Lovin' the Rox'

Words: Lobo Press • Photos: Richard James, Hustler, Adam & Eve & Wicked Pictures

Over-sexed and over there – that seems to be the trend with UK porn starlets these days as they conquer America. One of the biggest is Roxanne Hall and we found out among other things how she's keen to get a bit of red devil inside her...

Lovely home-grown porn sensation Roxanne Hall is back in the saddle after a two year hiatus. That means that she has gone from cock-hungry to cock-starved and since her return, she has been very busy honing her skills.

Yet another British babe with a nasty mind, this one is best known for being a total nymphomaniac. Roxanne has a solid ballet background from her younger days in England, and these days she still moves like a ballerina. Roxanne can do the Kama Sutra like the best of them, and indeed she frequently does.

When we catch up with her, Roxanne's reddish-blonde hair is tousled and she is not wearing a speck of make-up. Roxanne looks rested, but claims she is exhausted from her previous day on the set. We order her a double cup of espresso, eager to hear all about it…

"I came so hard from being spanked," She says. "I can have mind-blowing orgasms that way. It took five minutes of filming, then I came in a puddle on the floor!"

Roxanne has the most riveting orgasm you can imagine. Her entire body trembles all the way to her toes. It's fascinating to watch her do a sex scene, because she doesn't ever seem to get truly satisfied – the more cock she gets, the more she wants. Unlike other girls in the adult film business, Roxanne doesn't have any hobbies or interests other than making movies and attending swingers' parties. There is only one reason for this, she claims; if it were humanly possible she would be naked having sex every minute of every day until she dies.

This stance has made her very popular with many a male porn stud, but word has it a lot of other starlets have never been particularly fond of Roxanne. Apparently, they gripe about how she keeps everybody on the set for hours longer than necessary.

"It's shitty," Roxanne says, shaking her head in disbelief. "I'm nice to everybody. Men love me, but I think the girls have a problem with my sexual energy. Women could never keep up with me. They don't want to go that extra mile if they don't have to."

"MEN LOVE ME, BUT I THINK THE GIRLS HAVE A PROBLEM WITH MY SEXUAL ENERGY. WOMEN WOULD NEVER KEEP UP WITH ME."

So is she bisexual in real life?

"Not really. I like to rub my new boobs against other women's boobs. And French kissing a girl is erotic. Actually I like kissing everybody. There just isn't enough tongue play in porno movies. But when it comes to hardcore fucking, nothing beats a man. It's the cock I'm after. Or two. Or three…"

Roxanne did her first porno movies to satisfy her urge for a swinging lifestyle. She quickly married porn actor John Decker

and together the couple took the American movie industry by storm. Due to the bad divorce that eventually followed, Roxanne moved back to England to regroup. When she returned solo to the scene, her sexual appetite had only grown more extreme.

"This time it's different. Now I can pick any and all partners I want, on and off camera."

So you don't have a new boyfriend?

"No, but I date a lot," she admits. "I mean, really. I don't spend many nights alone, even though I'm not particularly interested in the American chaps."

So, if you were to choose who you could fuck next, who would you pick?

"Well, I'm a little homesick right now, and Manchester United is my team. So I would have to pick any of the players. Or all of them. Do you think I could take on the entire team?"

With her skills? Absolutely.

"It's one of those crazy things that all girls secretly want to do!" She says and her eyes light up. "Getting fucked by several men. Hard dicks everywhere. That would be pretty kinky."

I'm sure if the players read this, they would be more than happy to take you up on the offer. Is there anything that doesn't turn you on?

At this point, Roxanne takes another sip of her coffee, and her brown eyes wander across the coffee shop.

"Yes, actually," she says and does a sweeping gesture towards the street outside. "I never saw the thrill in having sex in cars, and I hate doing it in public places."

This doesn't sound like a porn star to us.

"Don't get me wrong," she adds. "I'm not shy. I just think fucking in the backseat is so darn uncomfortable. I like to be able to move around freely. And as far as public places go, nothing is more annoying than being interrupted by some idiot."

We'll take her word for it. Come to think of it, we should probably give Roxanne Hall Club's Ultimate Fuck Bunny award while we're at it.

"After all, what fun is sex if you're not able to do it for hours?" She ponders.

Who could argue with that? All in all, we marked Roxanne down as one of the hottest things in American porn. Check out any of her comeback movies and you will too. Although Sir Alex Ferguson might not be too chuffed. ♣

LIGHTS, CAMERA, ASHTON!

Despite what you might think, Ashton likes it far from gentle!

PHOTOS: PHOTORAMA

No, before you ask Ashton isn't called Ashton because that's where she was conceived. We asked her exactly that and got a slap round the face for our troubles. Fortunately we like that sort of thing so we shouldn't really complain. And as it turns out, Ashton likes it rough, too.

"I know I might look the innocent sort but I love really rough sex. I like a man to take control and be demanding – telling me to suck his cock, making me beg to be fucked, that sort of thing. I get off on the thrill of being dominated and it's very hard for me to hold back an orgasm when a man is taking charge. I adore being bossed about!"

In that case, love, put the kettle on. Please. ♣

PEACHES

The only place to find all of your naughty bum banter and tales of backdoor experiences!

QUIET PLEASE!

We've all heard the saying, 'It's the quiet girls who are the wildest,' and never were this more true than with my ex, Lisa, who was a librarian. I'd been seeing her for about a fortnight when she suggested I meet her after work for a drink.

I arrived as the library was closing and met Lisa on the third floor. She looked fantastic in a little summer dress that showed all her curves, together with long, blonde hair, tied back to reveal her pretty face. Lisa still had a few books to re-shelve and being the gentleman, I offered to help. Carrying a pile of books, I followed along the aisles until eventually we had one book left. Lisa pulled over a nearby set of steps, took the book off me and climbed up to reach the highest shelf. Looking up from the bottom of the steps, I was treated to the gorgeous sight of Lisa's skimpy knickers barely covering her luscious bits beneath.

"Great bum," I whispered.

She looked down at me and with a twinkle in her eye replied, "Really, would you like to give it a squeeze?"

I could tell by her tone that Lisa was daring me and there was no way I was backing down.

"Damn right I would!"

Lisa put a finger on her lips to indicate we needed to be quiet.

"There's still a few people in the library," she whispered.

I nodded my response.

Lisa climbed down a couple of steps, leaving her peachy behind only inches from my face. She lifted up her dress and I removed her panties to reveal the smoothest bum I'd ever seen. I positioned my head beneath her to allow my tongue full access to her juicy pussy, and immediately began to lap at her neatly trimmed snatch, gently teasing her flaps with my teeth. Lisa quietly moaned with pleasure as she gyrated her fanny across my eager mouth. I probed my tongue deep inside her and used the tip to lick furiously at her clit.

It was obvious Lisa was enjoying herself – so I was confused when she pulled away. She then looked down towards me and whispered, "I love my pussy being sucked but what I'd really love is your

tongue in my arse!"

I could hardly believe my ears. I pulled her towards me, parted her arse cheeks and circled my tongue around her brown hole. Lisa let out stifled whimpers of pleasure as my tongue got faster and firmer on her holiest of holes. At the same time her hands rubbed furiously on her clit. As her movements got faster, I pushed my tongue deeper into her ring. Unable to hold on any longer, Lisa climaxed, barely controlling the noise as her body shuddered with pleasure.

Lisa looked down at me with a big, beaming smile; still panting she said, "I'm coming down."

She reached the floor, turned to me and kissed me passionately. Then she grabbed me by the hand and led me through a side door into a tiny room packed with books. As I closed the door behind me, she stepped out of her dress to reveal her fantastic body in all its naked glory.

Lisa kissed me again then whispered in my ear, "You've had your tongue in my arse, now I want your cock in it."

She turned around so her back was towards me and bent over a pile of books, pushing her arse in the direction of my rigid cock.

"I parted her arse cheeks and circled my tongue around her brown hole"

"Go on, do me up the bum," Lisa encouraged.

I hardly needed to be told twice. I whipped off my T-shirt, undid my trousers and seconds later was stood behind her naked. With one hand resting on her back, I rubbed my rock hard dick against her puckered hole. Gradually I eased my way in.

"How does that feel?" I asked.

"Great so far," she sighed, "Now fill me with all of your hot cock."

I obliged by thrusting my tool in hard, enjoying her muffled pants of pleasure as I ploughed into her tight hole, not stopping until my balls rested firmly against her sopping pussy. I withdrew my cock to the tip, then pumped hard into her again. With Lisa's groans of pain and pleasure spurring me on, I quickly built up a steady rhythm, my cock sliding gracefully between her smooth arse cheeks, the tightness of her pipe gripping hard on my swollen rod.

Through hushed moans Lisa whispered, "Don't come in my arse, I want you to spray it over my tits."

With that kind of talk it was all too soon when I felt the tell tale rumble in my balls. Lisa sensed I was close and reacted immediately. She turned round, sank to her knees and enthusiastically began to wank my cock over her splendid tits.

Lisa looked me straight in the eye and said, "Come on, I want to see what you've got. Spray it over me, cover me with your hot spunk!"

I felt like screaming the roof off, the sight of this dirty bitch pulling at my cock was just too much. Through clenched teeth and stifled grunts I started to come all over her tits and neck. Lisa continued to wank my cock as more wads of sticky cream splashed onto her chest, dribbling over her nipples and between her cleavage.

She gave my cock a final yank, kissed the end and looked up at me. With her front plastered in my jiz she licked her lips and winked. It was the horniest thing I'd ever seen.

Sadly I'm no longer with Lisa but I've since met another girl who point blank refuses to take it up the arse. Let's just say I'm working on it. – *Nigel, Devon*

TOYING WITH TROUBLE

My life's been full of changes and upheavals lately. I ditched my boyfriend of three years, got a new job and moved into new flat that I'm sharing with Melanie, an old school friend. Being single is very liberating but I missed the sex, and so I decided to try something I'd never been into before – a dildo, which in turn led to another revelation of a very different kind!

I've always been quite big on masturbation, even when I was with my boyfriend. I always think about sex when I go to bed, and often end up frigging myself slowly until I come. But since I was in no mood to find another boyfriend I ordered a dildo, and when it arrived I couldn't wait to try it out. I had a shower, then went to

my room with just a towel wrapped round me, eager to play with my new toy.

I put a nice CD on and took the plastic cock out of its box, my body feeling all tingly with excitement as I ran my fingers over its length. It was so big and hard, I could hardly wait to feel what it was like inside me. I lay down on the bed, opened the towel, and touched the toy against my pussy lips. I teased my clit a little until I was good and wet, and then eased the toy into my hole.

It felt amazing but – and I really can't explain this! – all I could think about was what it'd feel like up my bum. I'd never had anal sex before, and all I'd had up there before was a boyfriend's sneaky finger, but now, as I drove my new toy in and out of my cunny, my thoughts turned to my arsehole and the small sachet of lube that had come with my new toy.

I had to try it. I withdrew the dildo from my pussy, tore open the sachet and started to rub the silky liquid onto my sensitive puckered bum hole, pushing some just inside me and getting very turned-on while I was about it. When I was sure my anus was good and ready, I lifted my legs up like I do when a guy's really fucking me, pressed the tip of the dildo against my most private hole, and pressed.

Oh fuck! I nearly fainted. But I continued pushing and gradually got the whole thing right up my arse, feeling totally overwhelmed with new sensations. I immediately wanted to take cock that way, and with a finger to my clit I started giving my arse its first fucking with my new toy.

Wanting to get a better idea of what it's like to be buggered, I withdrew the dildo, turned over and buried my face in my pillows with my botty up

"I continued pushing and gradually got the whole thing right up my bottom"

in the air. Reaching up behind me I touched the pointy tip of the dildo back against my anus and gently pressed it home. Oh! I was nearly coming already, and I was totally in a world of my own as I began driving it slowly in and out of my tight, peachy bottom.

So absorbed was I in fucking myself and so loud was the music that I didn't hear my bedroom door open and Mike walk in. He must have let himself into the flat and come looking for Melanie, who had gone out.

What a sight met his eyes. My arse up the air with a big plastic cock shoved right up it. I was moaning and groaning too as I fucked myself. God knows what he must have thought!

"Er... oh!" I think I heard him say.

I froze, and I had no idea what to do. I kept my bum in the air with the dildo firmly planted up it and just waited to see what would happen next.

"You should try that with a real cock," he said, clearly sensing the need to improvise.

"I think you're right," I said, and watched nervously as he closed the door and unzipped his flies. "Just be gentle," I pleaded, knowing he was the kind of guy of who'd just ram it up there and ream me.

All I could do was shut my eyes and braced myself. I bit the pillow and thought of... well nothing really!

"I think my bum must have gaped a little when the dildo was pulled out of me"

I felt Mike pulling the dildo slowly out of my botty, rotating it as he did so, and my pussy dribbled with my love juice. I think my bum must have gaped a little when the dildo was out of me, and Mike was quick replace it with his cock.

"Ahhhh!" I wailed as I felt his bell-end plug my arsehole, but the sound was muffled by the pillows. Mike shuffled his knees a little, then I felt his hands firmly grip my hips and he grunted as he forced his big hard cock right up my tight little bottom.

The rhythm he found to fuck me was amazing, driving his cock in and out of my arse with long firm strokes – not too fast but very hard and deep, and I started to come.

"Is that good?" Mike gasped through clenched teeth. "Is that good up your fucking arse?"

I reached up and frigged my clitty, which was swollen, hard and erect, and my pussy started to contract as one almighty orgasm ripped through me. I've never come like that, and a wet patch formed under us on the bed where my cunt had spewed. This was a fuck and a half!

Mike could hold on no longer, and for the first time I felt a hard cock squirt its hot load deep inside my tummy. Absolutely amazing!

Mike pulled his spent prick out of my anus and gave me a sharp smack on my poor little botty, then just walked out and left like nothing had happened. Conversation never was his strong point, but my God he knows how to fuck a girl in the arse and I certainly know which I'd rather have! – *Chantelle, York* ♣

TAKING IT IN HER STRIDE

Susan appreciates it when a guy does all the leg work!

PHOTOS: STEVE COLBY

Dedicated leg fetishists will probably fall in love with Susan. Not only has she got an incredible set of pins but she's recently adopted a penchant for wearing stockings. If that wasn't enough, she also professes to enjoying the attention of an enthusiastic tongue over her lower limbs.

"If any guys want to know the way to my heart, it's definitely best to go via my legs. When he gets between my thighs and is just inches from my pussy I start to shiver and it's not long before I'm pulling his head into my crotch, begging to be licked out. If he does all that first then I'm pretty much open to anything he wants to do to me afterwards..." ♣

EVE'S DROPPING

You heard it right – she's dropping her knickers!

PHOTOS: VLT

Anybody who's been to uni will know the experience allows a whole new era of sexual experimentation... and someone certainly making the most of it is Eve.

"When I moved in to the halls of residence my room mate was a petite blonde called Sami. At first I thought she was probably a virgin because she didn't talk about sex much, but then one night I heard a noise coming from her bunk, I looked down from mine to see her totally naked, with a her legs spread wide open and her fingers firmly frigging her pussy. I just looked at her in amazement until she told me to stop gawping and come and join her. We were up all night making each other come and it turns out she's not as inexperienced as I thought!"

And our taxes are paying for this? We'll gladly pay more if we get to watch! ♣
